

# Never Overspend on Dental Care Again

## WHAT IS THE J&A PREMIERE DENTAL PLAN?

It's a discount plan that saves patients 30-50% off the average dental treatment fees in our area. The plan pays for itself with just a couple of cleanings or a couple of tooth-colored fillings.

## HOW MUCH DOES IT COST?

Membership is \$250 annually for an individual or \$500 for a family, including 2 parents and 2 children. Each additional child will be an added individual. Parents and children under 18 must reside in the same household.

## HOW DO CLEANINGS WORK?

Two cleanings are covered free of charge. If more than 2 cleanings are needed, each additional cleaning is \$45.

## WHO IS THE PREMIERE DENTAL PLAN FOR?

The plan is great for uninsured families and fixed-income retirees that want to save money on their dental care.

# 3 Reasons To Enroll...

Family & Implant Dentistry

**PREMIERE DENTAL PLAN**

## 1 Simple & Transparent Dental Fees

Here's the traditional dental insurance experience: You think your procedure costs "X" dollars BUT...

- You haven't met the deductible
- The procedure is a "major" procedure, so it covers only 50%, meaning you pay the rest
- Your annual benefits are limited so it really doesn't cover the 50%

### ENOUGH WITH THE CONFUSION!

Our Premiere Dental Plan gives you great savings with transparent fees. We'll never try to surprise you with hidden costs or throw disclaimers your way. With us, you'll get upfront, honest pricing.

Check out how the average costs after traditional insurance compared to our Premiere Dental Plan on the back of the pamphlet!

- ✓ NO Yearly Maximums
- ✓ NO Deductibles
- ✓ NO Claim Forms
- ✓ NO Pre-Authorization Requirements
- ✓ NO Health Questions
